Commonly Requested Unscheduled Walls															

NOTE: Weight per foot is calculated using the following formula (O.D. - Wall) x Wall x 10.69 = Weight per Foot. Actual weight may vary.

Our Products

Thirty complete carbon, alloy and stainless steel pipe and fittings product lines available with over 4,000 individual parts.

Pipe Products	Valves	Fittings	Steel Products	Studs & Gaskets	Other Products
- Foreign or Domestic - Seamless / Welded - Carbon Steel - Stainless Steel - High Yield - Poly - PVC - T&C - Coated FBE / IPC	- Ball Valves - Actuators - Check Valves - Globe Valves - Butterfly Valves - Needle Valves - Control Valves	- Weld / Threaded - ANSI Flanges RF / RTJ - API Flanges - Forged Steel - Outlets / Plugs - Swages / Nipples - Cushion Tees - Bleed Rings - Grooved Connections - IPC Coated Fittings	- Carbon & Galvanized - Grating - Angle Iron - Flat Bar - Channel - Beam - Plate, etc	- B-7 Stud Bolts - All-thread Rod - U-Bolts & Delrin Pads - Hex Head Bolts - Flex Gaskets - Ring Gaskets - R Series Gaskets	- Diaphragm Pumps - Pressure Regulators - Instrumentation - Flame Arrestors - Thief Hatches - Tank Relief Vents

Our Locations

Corporate Sales Center - Gulf of Mexico
1177 Petroleum Pkwy. Broussard, LA 70518
(337) 364-9494

Eagleford Shale - George West, TX
3186 Highway 281, George West, TX 78022
(361) 449-2222

Permian Basin & Pipeyard - Hobbs, NM
312 S Magnum Industrial Rd, Hobbs, NM 88240
(575) 738-0206
